Your floating boutique hotel

With exclusive service and space for just 100 guests on board, Emerald Cruises' luxury yachts truly embrace the small-ship experience. Reaching an impressive 361 feet in length, there is an abundance of space on board just waiting to be explored.

Our luxury yachts bring a taste of bohemia to the oceans, surrounding guests with contemporary design elements such as Paola Lenti day loungers around the infinity-style Aqua Pool and Kettal deck chairs by the Sky Bar. Guests are treated to Missoni towels and robes throughout the yacht, and ESPA beauty products can be found in all suites and staterooms.

A culinary journey

With a selection of dining areas, bars and lounges on board, an Emerald Cruises luxury yacht provides a venue to suit every mood.

Our Director of Food & Beverage, Tom Goetter, has created the menus for our main restaurant, La Cucina Dining, celebrating fresh, seasonal and local produce. This spacious setting flows into a large alfresco terrace, where you can try dishes like tender racks of lamb accompanied by seasonal vegetables, the freshest black mussels with crusty garlic bread for dipping, and rich, earthy truffle risotto. And during the day, buffet breakfasts and lunches present a diverse selection of delicious cuisine.

At the Aqua Pool Café, a selection of flatbreads pack a punch with a range of fillings, and revitalising gelato satisfies your sweet tooth.

The Red Sea

The Red Sea is an inlet of the Indian Ocean, located between Africa and Asia. Its coastline is now a popular tourist attraction, as are its neighbours the UAE, Qatar and Oman, where rich cultural influences and archaeological monuments coexist with some of the most contemporary features of the modern world, as the countries of the Arabian Peninsula commit to preserving their heritage while evolving into world-class destinations.

Aqaba, Jordan

Dubai, United Arab Emirates

Highlights:

Each cruise has been carefully designed to give you the freedom to explore at your own pace.

- Hurghada:** Stretching almost 25 miles along the Red Sea coast, Hurghada is a wonderful mix of old and new. Its stunning coral reefs have earned it the recognition as one of the best scuba diving spots in the world. Visit Hurghada's Old Town of El Dahar for its winding narrow streets and traditional bazaars, and Sakalla, for its more modern, bustling town center.
- Aqaba:** Jordan's only coastal city is the gateway to the Wadi Rum desert. Gaze in awe as the sun sets over the red sand dunes for an ethereal experience and taste tea amongst friendly locals at Palm Beach. Visit Mamluk Castle, the site of one of the First World War's most famous battles, and explore the Sherif al-Hussein bin Ali Mosque, an architectural vision and place of worship.
- Doha:** On the east coast of the Persian Gulf, Doha is an ever-changing modern metropolis. A glistening skyline of contemporary high-rises adorn the picturesque corniche, frequented by walkers enjoying the lovely waterfront promenade, while world-class galleries exhibit an eclectic mix of art. Traditional souks buzz with life and restaurants serve a delightful fusion of cuisines, as this confident, forward-thinking city seeks to rival the dynamism of Dubai.
- Dubai:** This once humble fishing village is now a thriving metropolis, home to over 200 nationalities and some of the most spectacular modern architecture in the world. Old and new collide, offering something for everyone. From sprawling spice markets, historic neighbourhoods and abra rides across the creek, to theme parks, zip lining, art galleries and shopping malls, there's nothing you can't do here.

Life on the ocean

A luxury yacht cruise across the oceans of the world is like nothing else. As you sail along the iconic coastlines our yachts visit, our guide to life on the ocean is here to help you make the most of all that Mother Nature has to offer during your voyage.

Emerald Azzurra

Stabilization

While sea conditions are generally good in some of the regions our yachts visit, nature tends to have a mind of its own, and sometimes we might face rough seas. Emerald Cruises luxury yachts are each equipped with a pair of retractable fin stabilisers, meaning our yachts pitch and roll as little as possible. This ensures maximum relaxation for our guests while on board, no matter the weather!

Aqua Pool & Marina Platform

Our luxury yachts each feature an infinity-style pool on the Aqua Deck, offering you great alfresco views as you swim under the sun. Each yacht also features a Marina Platform equipped with various water sports toys for our guests to enjoy. While we aim to offer these areas to our guests as often as possible, sometimes the local regulations, yacht traffic in the bay or weather conditions may restrict their use. During rough seas, the Aqua Pool will be drained to ensure the safety of our guests and crew, and our Marina Platforms will only be made available when our yachts are at anchor in calm waters.

Tender boats

To make the most of each of the countries our yachts travel to, sometimes our cruises will visit towns and cities where there is no docking facility for yachts of our size, and our yachts will anchor at sea nearby. In this case, our guests will be transported ashore on one of the three tender boats each of our yachts are equipped with. This is usually a short trip to the shore and enables us to take you right into the heart of the locations we visit.

Itinerary alterations

At Emerald Cruises, our destinations are meticulously chosen, and our itineraries planned with great detail to ensure all the ports we visit are accessible. However, in some rare cases, our yachts may not be able to visit a port as planned due to unforeseen factors such as bad weather. In these cases, our guests will be informed of any port diversions or alterations to our itineraries as soon as possible, and we will do our utmost to make sure your cruise is impacted as little as possible.

Aqua Pool

Enjoy water sports activities from the Marina Platform

Keep in touch with family and friends while at sea

Staying connected at sea

While on board one of our luxury yachts, our guests have access to our complimentary standard Wi-Fi service, meaning you can stay in touch with friends and family back home and share all of the wonderful photos you take during your cruise. We also offer a Platinum Wi-Fi package for all of our guests' streaming needs. While we offer internet services 24/7, our satellite connection can be impacted by a number of factors, such as bad weather, so signal may become weak at some points during your voyage.

Ocean terminology

We understand that sometimes it might seem as if seafarers are speaking their own language. We've made a guide so you're familiar with all of the important lingo while on board one of our luxury yachts.

- Anchoring** Mooring a ship to the sea floor with an anchor
- Stabiliser** A fin mounted to the yacht beneath the waterline to reduce vessel's movement when facing rough sea conditions
- Bow/Forward** Towards the front of the yacht
- Stern/Aft** Towards the back of the yacht
- Port/Starboard** The left or right side of a yacht respectively when facing forward

Cherish the Planet

At Emerald Cruises, our Cherish the Planet ethos is about more than just environmental sustainability – we are committed to creating positive change in all areas of our business and to fostering sustainable practices and rich community partnerships. Our desire is to protect the Earth by leaving as small a footprint as possible.

Our commitment to the planet is to deliver environmentally responsible tourism to protect each of the destinations we visit. Cherish the Planet was launched in accordance with the United Nations Sustainable Development Goals, and we have gone on to create exceptional carbon-conscious and community-focused experiences in incredible destinations. At Emerald Cruises, we are proud of the positive relationships we have formed within the communities we visit.

Our Cherish the Planet commitment has ensured: the provision of clean running water to the Chiro village in Kampong Cham Province, Cambodia; the construction of sanitation blocks in Yandabo village along the Irrawaddy River; and the continued support of the Bread of Life Project aimed at reducing prejudice against Roma communities in Belgrade.

Our pillars of sustainability

Cherish the Planet has six key focus areas.

1. Leave no waste

We've eliminated all single-use plastic on board and work closely with, and fund, local projects that collect and recycle plastic waste, helping to maintain the world's natural beauty and improve living conditions. We provide our guests with complimentary refillable Emerald Cruises bottles and filtered water stations across our yachts, as well as refillable toiletries in our suites – and no plastic straws are used on board.

2. Rebalancing of CO2 emissions

We have concentrated our efforts on minimising our environmental impact, and support causes aligned with rebalancing our CO2 emissions, including exceptional carbon-conscious experiences, with hiking and e-biking now available on many of our itineraries. We are also working to calculate the CO2 emissions of each of our sailings so we can continue in the future to implement new technologies and initiatives which ensure our carbon footprint is reduced.

3. Sourcing sustainably

As we sail the world, many of our exquisite dishes on board feature local produce. Wine is sourced from small vineyards along the Moselle, Rhine, and Douro rivers, and on the Mekong, we source fresh local produce to create our Asian-inspired menus. Our goal is to source sustainably every step of the way, from produce to packaging, recycling, and our choice of suppliers.

4. Growing with communities

We are committed to meaningful and respectful cultural interactions between local inhabitants and our guests, and many of our itineraries include certified Cherish the Planet experiences that ensure local businesses benefit from our journeys. We're also working with leaders and third parties within the communities we visit to ensure sustainability for the future.

5. Grow from within, value diversity

At Emerald Cruises, we truly value diversity – it is a strength to have different perspectives within our business and we believe it helps us find the best solutions and services for our guests. We treat all crew and all employees equally, independent of gender, sexual orientation, age, race or religion and we currently employ over 50 nationalities from across the globe throughout our vessels.

6. Advocate health, safety & security

We have created an engaging workplace at Emerald Cruises that supports the wellbeing of our staff, prioritising health, and safety. We also want every member of staff to be fully immersed in the ethos at the heart of Cherish the Planet. To ensure this, Emerald Cruises staff will complete extensive training that supports their wellbeing and will ensure health and safety is prioritised.

Booking conditions

Emerald Cruises is a brand owned and operated by Scenic Tours (USA), Inc. Any reference herein to "Emerald" refers to Scenic Tours (USA), Inc. By booking a tour, cruise or other vacation package with Emerald and paying the booking deposit, you are agreeing to these terms and conditions, which creates a binding contract between Emerald and you, the customer. Please read this contract carefully, as it contains important terms and conditions including, without limitation, penalties for cancellation and specific limitations on our liability.

1. General. Emerald operates tours within the United States, and serves as a booking agent for tours operated by third-party service providers ("Providers") in other countries. Emerald reserves the right to provide the tour or any portion thereof either directly through its own personnel or through third party service providers. You hereby acknowledge and agree that where any tour or part of the tour, accommodations, flights or any other goods or services are provided by a third party (collectively, "Third Party Services") and not directly by Emerald Cruises, Emerald is not liable for any dispute or claim with respect to or arising from any Third Party Services including, without limitation, any losses, damages, breach of contract, negligence or other claims or damages arising from the acts or omissions of the Providers thereof and, therefore, you are required to pursue any such claims solely against the relevant Provider.

2. Important Travel Information. You acknowledge and agree that there are general risks associated with traveling, which are beyond Emerald's control and, as such, Emerald is not liable for any loss, cost or damage you may incur as a result thereof. Such general risks include, but are not limited to, tour variations or interruptions caused by road, ocean or weather conditions; national or local holidays affecting the closure of public buildings and attractions; strikes, civil disturbances and advices by governments, and other Force Majeure Events (as defined below); hazards associated with traveling in undeveloped areas; travel by boat, train, automobile, aircraft and other means of transportation; high winds; heavy fog; high water levels; low water levels; flooding; lock closures; unscheduled vessel or vehicle maintenance or for any other circumstances beyond Emerald's control; forces of nature; illness; flight schedule changes or cancellations; loss of luggage; epidemics or pandemics; political unrest; accidents; acts of terrorism or other criminal acts; and any changes to government visa or travel requirements. Furthermore, it is your sole responsibility to make your own inquiries regarding your trip, including any relevant government travel safety warnings.

3. Travel Insurance. You are urged to arrange comprehensive travel insurance to cover any unforeseen circumstances that may occur during the tour. Emerald is not liable in any regard for your failure to adequately insure yourself, and you agree to indemnify and hold Emerald harmless for any expenses or delays incurred as a result of your failure to adequately insure yourself. For your convenience, Emerald offers its clients the opportunity to purchase travel protection through TripMate, Inc. We act as a broker. Once purchased, the Travel Protection Plan premium is non-refundable.

4. Tour Price. The "Tour Price" is the total amount listed on your itinerary. All Tour Prices are quoted in U.S. Dollars. Emerald reserves the right to vary Tour Prices at any time, in its absolute discretion, to account for any increase in costs, including but not limited to airfares, fuel, government taxes and charges, exchange rate fluctuations or other tour related costs or tariffs. If Emerald has received the full amount of the Tour Price from you, there will be no increases to your Tour price, regardless of any increases in the tour costs inside or outside of our control. If you have not paid the full amount of the Tour Price, and we must vary your Tour Price due to an increase in tour costs outside of Emerald's control, any increase Emerald applies to the Tour Price will be only to the extent required to meet such additional costs. Emerald reserves the right not to honor any published prices that Emerald determines were erroneous due to printing, electronic or clerical error.

5. Items Included in Your Tour Price. Subject to the conditions and limitations set forth herein, the following items are included in the Tour Price provided that they are expressly listed on your itinerary: Intercity Travel. By motorcoach (bus) or by cruise (boat). Air Travel. Although designated air travel may or may not be included, you are responsible for timely arrival at the gateway for your tour. Failure to arrive at the gateway in a timely fashion may result in cancellation of your tour and loss of the Tour Price. Internal flights may be included if listed on your itinerary. Tour Director. All tours are conducted in English by a professional cruise or tour director. Accommodations. Tour Prices are per person, based on two persons sharing a room with a private bath or shower. Single accommodations are available on some, but not all, tours for a single supplement rate, payable at the time of booking. If at any time during the tour you

consider your rooming partner to be unsuitable, Emerald will attempt to arrange single accommodation for you for the remainder of the tour, subject to availability. Details of price and availability of single accommodation can be obtained at the time of booking. Floorplans and deck plans are indicative only and are not drawn to scale. Pictures of hotel rooms or cabins may not represent the actual accommodation provided during the tour. Special room requests (smoking/non-smoking, adjacent, connecting or lower-floor rooms, as examples) must be made at time of booking. Special hotel room requests are not guaranteed and are based on a first come first served basis and are subject to availability at time of check-in. Emerald reserves the right to substitute hotel accommodations of a similar standard in place of any advertised hotel. Emerald is not responsible for the size or quality of the hotel rooms provided. Tour Prices are based upon the cabin categories listed on the itinerary. Upgrades are subject to availability and require payment of additional fees. Emerald cannot guarantee the availability of pre- and post-tour accommodations. Airport Transfers. Airport transfers are available only on the first and last day of your tour and at times designated by Emerald. Transfers outside these times will be at your expense and must be secured by your own arrangements. Passengers who have purchased hotel accommodation and airfare from Emerald prior to tour or after tour will be provided with airport transfers to or from their hotel. If your airline booking is not made by Emerald, you must ensure your flight details are provided to Emerald. No refund will be given for any unused transfers. Transfers cannot be routed to other pick-up points or destinations. In the event of a missed transfer, you will be responsible for making substitute travel arrangements, at your own expense. All transfers must be booked and Emerald must be advised of all flights no less than 60 days prior to travel. Airport and ship transfers may be group transfers scheduled to coincide with multiple flight arrival times. Meals. Only those meals identified on the itinerary are included. You must advise Emerald in writing of any and all special dietary needs at the time of booking. Emerald will make reasonable efforts to accommodate your dietary requests, but cannot guarantee that any requests can be met. Beverages. Please note that changes to flight schedules may require additional overnight accommodation at your own expense. Any modified travel arrangements required due to illness or personal reasons are at your own expense.

7. Booking/Payment. Booking Deposit. You must pay the deposit listed on the itinerary, minimum \$750 per person (the "Deposit") at the time of booking your travel. Your Booking will be automatically cancelled if your deposit is not received by Emerald on or before the due date. Deposits are non-refundable and non-transferable, except as otherwise stated herein. Final Payment. The balance of the Tour Price must be paid no later than 120 days prior to the tour departure date. Failure to pay the balance within 120 days of the tour departure date will result in cancellation of your trip and loss of the deposit. Bookings Within 120 Days. If you place a booking with Emerald within 120 days or less of your chosen departure date, full payment of the Tour Price is required before we can request and confirm your booking. If the tour is not able to be fully confirmed, then we will refund all funds paid to us, and Emerald will have no further obligations or liability to you in respect of your booking. Late Booking Fee. A late booking fee of \$50.00 per booking is payable on all bookings made within 21 days of tour departure. Variation Fee. In the event you booked your tour through a travel agent, your travel agent may forward your deposit or final payment to Emerald on your behalf. 8. Cancellation by Traveler. Cancellation Notice. Cancellation notices must be issued to Emerald in writing during its regular office hours. Any changes to your tour departure date or name changes will be deemed a cancellation and the applicable cancellation fees will apply. Cancellation Fees. In the event of cancellation, you will be liable to pay Emerald cancellation fees calculated in accordance with the following table. Please note that in the event of cancellation you may also be obligated to pay cancellation fees to third parties including, without limitation, airlines.

Cancellation Fees

Period before your tour commences within which written notification of cancellation is received by us

NO. OF DAYS' NOTICE PRIOR TO TOUR COMMENCEMENT	CANCELLATION FEE PER PERSON
120 days and over	Loss of Deposit
119 to 91 days	25% of tour price or loss of deposit, whichever is higher
90 – 61 days	50% of tour price
60 days or less	100% of tour price

9. Air Travel. Airfare From price is based on low season; a high season surcharge will apply to some dates. Applicable airline and airfare will be advised at time of airfare booking. All airfare prices are an indication only and subject to confirmation. Air Reservations/Ticketing. Payment in full is required for all airfares at the time of booking. Airline Seating & Special Requests. Seats are limited in our contracted class of service and may not be available on every flight. Emerald does not hold block space on any airline and therefore does not provide any assurance of seat availability for every single tour departure date. Seat assignments and meal preferences may be requested at time of booking but remain subject to availability on a first come first served basis. Emerald does not assure any such requests will be granted. Not all airlines offer pre-assigned seats and some may impose additional charges for pre-assigned seats. Any additional charge imposed by any airline will be at your sole expense. Seating is solely under the control of the airline, as are the itinerary changes resulting from flight delays and schedule changes. Flight cancellations, delays and schedule changes are the sole responsibility of the airline and Emerald accepts no responsibility or liability for such delays or rescheduling. Airline Fuel Surcharges, Taxes, Fees and Restrictions. All airfares quoted at the time of your booking, will be based on round trip purchase and will include air-related taxes, fees and fuel surcharges imposed by the airlines. Any additional fees charged by the airlines such as checked baggage fees, seat selections and/or any other services are your sole responsibility. Cancellations. The cancellation fees listed above do not include any cancellation fees that may be imposed by the airlines. In cases when paper tickets are issued, no refund will be made for canceled air tickets until tickets are returned to Emerald. Non-refundable tickets cannot be refunded under any condition. Please ensure that any returned airline tickets are sent by certified or registered mail. Lost ticket replacement can take up to one year and processing fees may be assessed.

10. Tour Variations, Delays, Etc. Itinerary Variations. While Emerald will make reasonable efforts to operate the tour in accordance with your itinerary, changes or substitutions may be necessary for reasons outside Emerald's control or other Force Majeure Events (as defined in paragraph

12). At certain peak periods duplicate departures may operate, and sometimes in reverse order; hotels may also vary from those stated on the itinerary pages. On tours that include cruises, the ship may be changed due to operational reasons. Departures in early and late season are potentially operated in cool weather conditions. As a result, slight itinerary variations may occur, and certain activities may not be available due to seasonality or weather conditions. Availability of certain activities may also be limited due to itinerary variations. If your tour enjoyment may be diminished by such limitations, please check with your Travel Agent before making your reservation. Emerald reserves the right to substitute (at the nearest reasonable standard) another vessel or motorcoach for all or part of the itinerary and also provide alternative accommodation, where necessary or advisable. Your travel experience in a substituted vessel or motorcoach may materially differ from your original accommodations. Ocean conditions (including repair or maintenance work on bridges, ports or docks) may provide Emerald with short notice of necessary or advisable changes to your itinerary. Emerald is not liable to you for any variations in the tour itinerary caused by Force Majeure Events or the events described in Section 2. Tour Cancellation. Your booking is conditional on Emerald receiving a minimum number of bookings to operate the tour and ensure an enjoyable group atmosphere. Where sufficient numbers, as determined by Emerald in its sole discretion, are not achieved, Emerald may cancel or suspend a scheduled departure of the tour. Emerald will use commercially reasonable efforts to

provide notice of canceled or suspended tours at least 60 days prior to the scheduled departure date. Emerald will endeavor to notify you of any changes to your tour itinerary in the following manner: (a) if prior to your tour departure, by telephone, email or mail; and (b) if during your tour, personally by your Cruise Director or Tour Director. In the event a tour or cruise is canceled by Emerald for any reason prior to departure, Emerald will use commercially reasonable efforts to offer the closest available tour or cruise departure. If the replacement tour price is less than the scheduled tour, you will receive a refund in the amount of the difference or if the replacement tour is more than the scheduled tour you will be required to pay the difference. If you accept the alternative tour or cruise departure, you will be bound by these Terms and Conditions with respect to the alternative tour or cruise. If you do not accept the alternative tour or cruise departure within a period of 7 days, then this Contract will be terminated and Emerald will refund all monies that you paid directly to Emerald and Emerald will have no further liability to you. Emerald will not be liable for any third party costs you incur as a result of cancellation, including without limitation, for airfares or other arrangements booked independently through or paid to a travel agent or other third party. Tour Delay. Where Emerald delays the departure of a tour or cruise, for whatever reason, for more than 7 days, as your sole and exclusive remedy you may terminate this Contract and Emerald will either: (a) provide you with a full refund of all amounts paid to Emerald; or (b) provide you with a credit towards future tours with Emerald which will be valid for 24 months from the date you notify us of the termination of this Contract.

11. General Notices, Conditions and Safety Matters. Sun Deck. Operation hours may be limited due to the passage of low bridges or other restrictions by local authorities. Noise, Vibration and Odor. While Emerald takes reasonable steps to minimize noise, vibration and odors on the cruise ships, you acknowledge and accept that some noise, vibration and intermittent odors may be experienced on vessels and that Emerald will not be liable to you in relation to any such noise, vibration or odors. Young Passengers. Children under 12 years old are ineligible to participate in our tours, except for applicable Christmas tours and cruises, and then only if accepted by Emerald in its sole discretion. Due to the availability of alcohol on many of our vacation packages, children and other persons under 21 years of age must be accompanied by a person over the age of 21 (an "Adult") and must share their accommodation with that Adult. Bus Safety. You acknowledge and agree that if you travel on a bus or motorcoach as a part of a tour, you are required to comply with any and all recommended safety requirements including, without limitation, remaining seated at all times while in the bus or motorcoach and wearing a safety belt while seated in the motorcoach. Neither Emerald nor its affiliates or Providers shall have any liability to you or any third party for any injuries, illness or death resulting from your failure to adhere to applicable safety recommendations. Physically Challenged Guests. Emerald strives to provide a safe, enjoyable and memorable travel experience for all passengers. Sightseeing in many historic towns and cities can only be undertaken by walking tours of up to 5 km (3.2 miles), often on uneven surfaces. Some tours include mountain excursions involving high altitudes. Consequently, a reasonably adequate (and sometimes high) level of fitness is required for many of our tours. Please consult with your doctor to ensure that you have an adequate level of fitness and are in good health before participating in these included excursions. Emerald will not provide any refunds if you are not able to participate in any portion of the tour. Most transportation services are not equipped with elevators or wheelchair ramps, and cabin doors and rest rooms may not be wide enough to provide access for standard wheelchairs. Emerald will make reasonable attempts to accommodate the special needs of its physically challenged guests, but is not responsible in the event it is unable to do so. Nor is it responsible for any denial of service by vessel operators, air carriers, hotels, restaurants or other Providers. We regret that we cannot provide individual assistance to our customers for walking, dining, getting on and off vessels, motorcoaches and other vehicles, or for other personal needs. A qualified and physically able companion must accompany travelers who need assistance and must assume full responsibility for their well being. Please note that motorized scooters are not suitable on international tours, and are may not be permitted in certain countries. Safety. Passengers must follow Tour/Cruise Director and crew instructions at all times to ensure on tour safety. You acknowledge that failure to do so will result in restricted access to areas on tour, or if necessary for your own safety and that of other passengers, withdrawal from the tour. If Emerald, or our staff or Providers are of the view you are negatively affecting your own health, safety or enjoyment, or that of other passengers, Emerald may terminate your continued participation in the tour immediately and in such event, Emerald will not be liable to you for any loss, cost or damage resulting from your withdrawal from the tour. If you are withdrawn from the tour, you must make your own travel arrangements at your own expense. You hereby acknowledge and agree that neither Emerald, nor any of its affiliates or Providers, are responsible for any damages, costs or expenses that may arise from the decision to exclude an individual from participating on all or any portion of an Emerald tour, or from any activities or accommodations on an Emerald tour. Passport/Visas. You must have a passport valid for six months past the expected end date of your tour. It is also your responsibility to obtain valid entry visas for all countries where so required, prior to departure. Failure to obtain correct documentation may affect your participation in all or any portion of the tour. Emerald will not provide any refunds if you are not able to participate in the tour, or any part thereof. You will

be responsible for any costs you incur as a result of your failure to obtain the required documentation including, without limitation, any costs associated with rejoining the tour or returning home. Vaccinations. Immunization requirements vary from country to country. Please consult your personal physician, a local public health board or the US Centers for Disease Control and Prevention (CDC) in Atlanta (404-322-4559 or www.cdc.gov/travel).
